Supervision of Students**

The Board expects all students to be under assigned adult supervision at all times when they are in school, on school grounds, traveling under school auspices or engaging in district-sponsored activities. District personnel assigned this supervision are expected to act in a reasonably prudent manner to provide for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except as an arrangement has been made to take care of an emergency.

Principals shall develop regulations which assure adequate student supervision at all times.

Release of Students

No principal or other staff member shall release a student to any person other than his/her parents or legal guardian or other properly identified person who has written permission from the parent or guardian of the student. Any exception to this policy must be approved by the superintendent.
