Traffic Safety Education

Driver Education is provided for all eligible resident and non-resident students upon application to the district community education program. The tuition rate will be established each year.

Eligible nonresident students may enroll in the district's traffic safety education program if resources are available.

No resident student shall be denied enrollment in the district's traffic safety education program based solely on the ability to pay tuition.

The district will develop procedures for establishing tuition rates, enrolling nonresident students and reducing or waiving tuition.

All students shall be subject to the district's code of conduct, policies, and regulations. Violation may result in disciplinary action to include exclusion from the driver education program.
