

# Oregon Virtual Education Charter School

Code: **EEA**  
Adopted: 5/14/12

## Student Transportation Services

Public charter school transportation services may be provided for students for public charter school-sponsored field trips that are extensions of classroom learning experiences.

School buses carrying students will be considered extensions of the school experience. All students using public charter school provided transportation will abide by the code of conduct posted in each school bus or provided by the sponsoring district or transportation provider. Violations of such code, as well as other conduct which is improper or which jeopardizes the safety of self or others, will be reported by the school bus driver to the public charter school administrator. Violators may be denied use of transportation for a period of time as deemed proper by the public charter school administrator.

The public charter school administrator or designee shall ensure transportation officials and drivers receive notification of students having special medical or behavioral protocols identified in student records.

Appropriate training related to specific protocols, including confidentiality requirements, will be provided to drivers.

The school bus driver will be responsible for the school bus at all times from departure until return. The driver will not participate in any activities that might impair his/her driving abilities.

The public charter school will comply with all state and federal laws and regulations pertaining to school bus transportation.
