Materials Distribution**

Requests by individuals or groups to distribute pamphlets, booklets, flyers, brochures and other similar materials to students shall be submitted to the charter school administration. Materials and the proposed method of distribution shall be subject to review.

Materials shall be reviewed based on legitimate educational concerns. Such concerns include: the material is or may be defamatory; the material is inappropriate based on the age, grade level and/or maturity of the reading audience; the material is poorly written, inadequately researched, biased or prejudiced; the material contains information that is not factual; the material is not free of racial, ethnic, religious or sexual bias; or the material contains advertising that violates public school laws, rules and/or policy, is deemed inappropriate for students or that the public might reasonably perceive to bear the sanction or approval of the public charter school.

Materials approved by the public charter school administrator shall be posted on the public charter web site. Student email addresses are not part of directory information and will not be released unless required by state or federal law.

The practice of distributing pamphlets, booklets, flyers, brochures and other similar materials shall be periodically reviewed to ensure that the mere volume of requests has not become an interruption to the educational process.
