Management of Food Services

The district may provide food services for students and staff. Food services will comply with state and federal laws and regulations relating to such services.

The cafeteria manager, under the direction of the superintendent, will be responsible for the management of the food service program.

The superintendent will report to the Board, at least annually, on the condition of the food service program and will make such other reports related to food services as the Board requests.

In keeping with health department guidelines, only food prepared in an inspected kitchen should be available in the schools.

The prices charged for meals shall be established annually and this information shall be made available to all students and parents before the school year begins.

Food and drinks are prohibited in classrooms unless for a designated activity.
