Textbook Selection and Adoption

The Board recognizes its legal responsibility to choose textbooks to be used in the schools and declares its intention to select and maintain such books in accordance with the law.

The Board authorizes the superintendent to develop and implement administrative procedures governing how selections are determined. Such procedures will provide for staff and parent involvement and employ suitable selection criteria to ensure that the recommended textbooks:

1. Display fairness in their portrayal of people;
2. Contain appropriate readability levels;
3. Show consistency with the district's adopted curriculum content;
4. Provide for ease of teacher use;
5. Are attractive and durable;
6. Can be purchased at reasonable cost.

Textbooks will be selected upon recommendation of professional staff and will be approved by the Board.
