

Use of Feature Films/Videos in the School**

Prior to showing a feature film/video in a school, the instructor must seek the written approval of the administration. At least five days prior to the showing, the instructor shall submit to the administration (in writing) the following information on the particular film:

1. Title and brief description;
2. Purpose for the showing;
3. Proposed date of showing;
4. When and how parents will be notified, or if necessary grant consent;
5. Audience rating (G) (PG) (PG-13) or (R).

The showing of all feature films/videos with a G rating requires only prior parent notification from the instructor, who will summarize in writing the information in the above points 1, 2, 3 and 5.

Additionally, for feature films/videos with a PG, PG-13 or R rating, prior parental consent will be required before a student views the film.

Instructors are required to preview all film media before showing to students.

Films/videos rated G, PG, PG-13 or R may be shown as part of the school program. A parent may have the opportunity to preview a film when practicably possible.

Edited or unrated films/videos will be shown at the discretion of the administration. Parental notification for the showing of G movies at the secondary level will be at the discretion of the administration.

These are exceptional educational films that are rated R. These movies must have the permission of the administration and parent permission prior to the showing.
