Please be reminded that this transfer application, if approved, will allow the student to complete an academic transfer, but does not guarantee eligibility to participate in competitive interscholastic activities at the receiving school. Competitive eligibility is determined by Oregon School Activities Association (OSAA) rules. If you have questions about OSAA eligibility, contact the athletic director at the receiving school prior to completing the transfer.

I understand the stipulations and conditions, as stated on the attached sheet and understand that it is necessary and required for me to assume all responsibility for transportation. This interdistrict transfer request may be revoked at any time at the discretion of either district, and must be renewed annually.

I agree to the conditions and stipulations attached to this request.

INTERDISTRICT TUITION AGREEMENT

Under the authority of ORS 339.125, and the policies adopted by the Board of Directors of each participating school district, _____, Grant County, Oregon, and _____, Grant County, Oregon, agree as follows:

- 1. The attending district shall admit students who are residents of the resident district and provide them the same instruction and services as are provided by attending district to its own resident students.
2. Students will be admitted at the discretion of the attending district, on a case by case consideration, under the following conditions:
a. Classroom space must be available, in the opinion or within the guidelines on class size of the attending district.
b. Any other conditions which are in the best interest of the attending district.
3. In partial consideration for services supplied its resident students by the attending district, the resident district stands ready to admit similarly situated residents of the attending district, on the same terms and conditions as those set out in this agreement.
4. It is understood that upon approval, the resident district shall release said students to the attending district. The attending district shall claim these students as resident students for the purposes of claiming basic school support.
5. No funds shall be exchanged between the districts. The attending district shall report the students as resident students per ORS 339.133. _____ school district turns over to _____ school district both the ADMr and the ADMw that is paid from the State School Fund.
6. Special education students are generally high cost students. If student's needs are fully met by the ESD or Regional Program personnel or equipment, no charge beyond that charged for regular education students will be made. Any students on an IEP are considered part of the special education program. Resident district may recall student placed on an IEP or students who have had significant change in the IPE's while in the attending district to the resident district at any time within the year. As such, if the cost of providing suh services exceeds the payment from the state school fund, the attending district will bill the resident district for the additional cost.
7. This agreement does not include transportation of said students.
8. This agreement must be reviewed and approved annually, prior to June 30th, by each district's Board of directors.
9. This agreement shall be valid for the entire term of the 2005-06 school year.
