**Suspension\*\***

The Board authorizes student suspension for one or more of the following reasons:

1. Willful violation of school regulations;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student or other students;
4. Willful conduct which endangers school property.

**Out of School Suspension**

1. A temporary exclusion from school for a period not to exceed 10 days.
2. Exclusion in cases being investigated pending expulsion.
3. After investigation and recommended expulsion by the administration until the Board has taken official action.

**Suspension Details**

1. Suspension temporarily takes away the privilege of attending school or school activities from a student for a period not to exceed 10 calendar days. In special circumstances, a suspension may be continued until some specific pending action occurs, such as a court hearing, a physical or mental examination, an expulsion hearing or incarceration by court action. Suspensions are made by the superintendent and are not to be used in lieu of an expulsion.
2. The student shall be given oral or written notice of the charges against him/her, and, if he/she denies them, an explanation of the evidence the authorities have and an opportunity to present his/her version. Generally, this notice and hearing will precede the student's suspension but if prior notice and hearing are not feasible, as where the student's presence is a threat to persons or property or threatens disruption of the academic process, thus justifying immediate removal from school, this notice and hearing shall follow as soon as practicable.
3. Notification of the suspension and the reason therefore shall be given by telephone as soon as practicable to the parents/guardian. Upon suspension, the student will be sent home unless it is deemed by the administration advisable to hold the student until the end of the school day.
