**Relations with Law Enforcement Agencies**

The district does not encourage student questioning/conferring by law enforcement or other agencies in the school setting. The district, however, recognizes a need to do so may arise.

The administration or designee shall be present at all such meetings.

The district shall also make every effort to give parents a prior notice.

Exceptions to the above would be if a student is removed from school by a law officer or an authorized representative of the Children's Services Division where applicable laws apply.

Outside agencies may deliver subpoenas and warrants to students in the presence of an administrator.
