

Recruitment of Classified Staff

The superintendent will develop and maintain a recruitment program designed to attract classified personnel to the district.

It is the responsibility of the superintendent, with the assistance of other district administrators, to determine the district's personnel needs and to locate the most suitably qualified candidates to recommend for district employment.

The search for classified staff members may extend to a wide variety of educational institutions and geographical areas. Those factors considered will include, but not be limited to, the district's diverse characteristics.

Present employees are encouraged to apply for any position.
