Administrative Regulations

Administrative rules are detailed directions governing the operation of the district.

The superintendent is directed to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the district.

When approved by the superintendent, administrative rules will be distributed for Board review. Upon Board review, the superintendent will cause administrative rules to be distributed to all those locations where policy manuals are located.

The Board may review any administrative rule and may revise it by majority vote if, in the Board's judgment, such rule is not consistent with adopted policies.
