## Support Service Goals and Objectives

The Board recognizes that business operations are essential - yet secondary to the education function of the district system. It is the intention of the Board to:

1. Ensure proper operation and maintenance of district facilities, vehicles, equipment, and services; to set high standards of safety; to promote and protect the health of students and staff; to support the efforts of staff to provide good instruction.
2. Encourage, through the superintendent and staff, the establishment of efficient and businesslike procedures for management of facilities and grounds, office vehicles, equipment, supplies, and the food program.
3. Encourage the establishment of a thorough, effective, and economical maintenance program, including preventive maintenance, that will ensure a maximum useful life of district property, vehicles, facilities and equipment.
4. Encourage adherence to generally accepted management principles and to conform to applicable laws and regulations.
