

Pendleton School District 16R

Code: **EBBAA/GBEBC/JHCCC**
Adopted: 6/14/99
Readopted: 4/12/10
Orig. Code(s): GBEA/JHCCA

Infection Control - HIV, AIDS, HBV

The district shall practice infection control at all times as though each staff member or student is infected with a communicable disease including Acquired Immune Deficiency Syndrome/Human Immunodeficiency Virus (HIV/AIDS) and Hepatitis B virus (HBV).

The district shall develop an exposure control plan that includes procedures for infection control and blood borne pathogens requirements for staff and students.

Procedures for staff and students shall include annual in-services; providing first-aid kits in each school, cleaning up body fluid spills, immunization and personal hygiene, as well as the location and a content review of first aid and clean-up kits.
