Number of Seat Belts in Vehicle _____

.....
This authorization is valid upon approval for one sport/activity, season at a time.

You have volunteered the use of your vehicle on a student activity for the Pendleton School District. This use is only for student transportation to and from a specified event. Pendleton School District's liability coverage is secondary to the liability and medical coverage that is carried by the owner of the vehicle.

The Pendleton School District does not assume any liability for damage to the vehicle driven while on the field trip/student activity.

No student on the field trip/student activity is to be allowed to drive. Only drivers that are 25 years of age and over and have signed this form and are authorized by the Pendleton School District may drive. The driver is to make sure that all persons in the vehicle have their seat belts fastened at all times during the trip. Students are not to be transported in pickup beds or other open vehicles without seat belts. The driver is to **obey the speed limit** and all other State driving laws at all times.

I have read and understand the above information and duly assume the responsibility of safely transporting students on this field trip/student activity. **I also verify** that my vehicle is in **safe-operable** condition and that my driving record is clear of driving violations.
