Selection of Varsity Head Coaches

It is the responsibility of the superintendent, with the assistance of other district administrators, to determine the district's personnel needs and to locate the most suitably qualified candidates to recommend for district employment. Head coaches may be selected using a committee process, members on the committee shall include at a minimum the athletic director and the high school principal. The committee should consist of an odd number of members. In the event of a tie vote by the committee, the superintendent will cast the deciding vote. In the event that a head coach, for some reason, cannot complete a season, the athletic director will select an interim coach to be approved by the superintendent and the Board.
