

Use of Feature Films in the School

Prior to showing a feature film in a school, the instructor must seek the written approval of the principal. At least five days prior to showing, the instructor shall submit (in writing) to the principal the following information on the particular film:

1. Title and brief description;
2. Purpose of the showing;
3. Proposed date of showing;
4. When and how parents will be notified, or if necessary grant consent;
5. Audience rating (G, PG).

The showing of all feature films with a G rating requires only prior parent notification from the instructor, who will summarize in writing the information in the above points 1, 2, 3, and 5.

Additionally, for feature films with a PG rating, prior parental consent will be required before a student views the film.

Instructors are required to preview all film media before showing to students.

Only films rated G or PG may be shown as part of the school program. A parent (or guardian) may have the opportunity to preview a film when practicably possible and that parent (or guardian) must give prior consent before his/her child may view a film rated PG.

Edited or unrated films will be shown at the discretion of the building administrator.

Parental notification for the showing of G rated movies at the secondary level will be at the discretion of the administrator.
