Code: **IIABB**  
Adopted: 4/09/07

## **Use of Feature Films/Videos\*\***

The Board recognizes the showing of commercially produced and rated feature films and videos may have a legitimate purpose in a school's educational program. Since the content of these feature films customarily is designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film is consistent with the educational values espoused by the district. Only films rated G may be shown as part of the school program. A parent will have the opportunity to preview a film when practicably possible and a parent must give prior consent before his/her student may view a film rated PG or PG-13.
