

## **Handbooks**

In order that pertinent Board policies, administrative regulations, school rules and procedures may be known by all staff members, patrons, students and parents affected, district administrators and principals are granted authority to issue staff and student/parent handbooks.

The contents of all handbooks must conform to districtwide board policies and administrative regulations. The publication shall bear the name of the district, or one of its schools, and be of a quality that reflects favorably on the district. All handbooks will be approved by the superintendent before publication.

Prior to the publication, the district will make all handbooks available to the Board for informational purposes.
