Petty Cash Accounts

The handling and processing costs of a single purchase order for nominal purchases are very expensive. To facilitate small expenditures, a petty cash revolving fund may be established for each building and the district administration office.

Administrative regulations will be developed establishing the amount of petty cash to be allowed, the maximum dollar amount for a single purchase, and the accounting system to be used for record keeping.

Petty cash will not be used to thwart or circumvent established purchasing procedures. It is a convenient accommodation to facilitate immediate acquisition of low-cost goods and services in an efficient manner.
