Code: **EBBA**
Adopted: 1/10/00

First Aid**

In cases of sudden illness or injury to a student or staff member, first aid will be given by school staff. Further medical attention to students is the parents' responsibility, or of someone the parents designate in case of emergency.

In each school, procedures for handling health emergencies will be established and made known to the staff. Each school and school vehicle will be equipped with appropriate first-aid supplies and equipment. All employees are expected to know where first-aid supplies and equipment are kept in their work areas.

The superintendent will develop administrative regulations as needed to implement this policy.
