

Cellular Telephones

District-owned cellular telephones may be purchased and authorized for staff use in accordance with the following:

Cellular Telephone Authorization

Cellular telephones may be assigned or made available on a temporary basis by the superintendent or designee when it is determined that:

1. The assignment of a cellular telephone to the employee is a prudent use of district resources;
2. The employee's job responsibilities require the ability to communicate frequently and access to a district or public telephone is not readily available;
3. The employee's job responsibilities involve situations where immediate communication is necessary to ensure the security of district property or safety of students, staff or others while on district property or engaged in district-sponsored activities.

Cellular Telephone Use

1. Cellular telephones are provided specifically to carry out official district business when other means of communications are not readily available. Cellular telephones may not be used for routine communications.
2. Cellular telephones are not to be used when a less costly alternative is readily available, unless as otherwise necessary for safety or emergency circumstances.
3. Personal use of cellular telephones is prohibited except for emergencies.
4. Cellular telephones are not to be loaned to others.
5. Employees issued a cellular telephone are responsible for its safekeeping at all times. Defective, lost or stolen cellular telephones are to be reported immediately to the business manager who will in turn notify the service provider.
6. Cellular telephones issued for employee use are to be returned to the business manager at the conclusion of the school year, activity or as otherwise specified.

Privately-Owned Cellular Telephones

1. District employees may be reimbursed for use of privately-owned cellular telephones to conduct district business in accordance with Board policy and this regulation, with prior approval of the superintendent or business manager.
2. Personal use of privately-owned cellular telephones by employees authorized to use such equipment is restricted to lunch, breaks and other such times when the employee is not on duty.
