

Pleasant Hill School District 1

Code: **IHCDA**
Adopted: 1/10/00
Readopted: 2/07/11

Dual Enrollment

The district may allow students to attend Lane Community College or the University of Oregon while enrolled in Pleasant Hill High School. All student requests will be handled on an individual basis, reviewed and forwarded by the building principal to the superintendent with a recommendation for action. The district may pay the enrollment costs for such student enrollment if State School Fund moneys are reimbursed the district for the student.

Students who may qualify would be those students who would gain from enrichment programs or any other student recommended by the building principal and approved by the superintendent where unusual circumstances may dictate attendance at Lane Community College or the University of Oregon best meets the student's needs. The above does not apply to evening adult education programs.
