

# Pleasant Hill School District 1

Code: **JEBA**  
Adopted: 1/10/00

## Early Entrance

The Board recognizes that some students can benefit from an early kindergarten/first-grade placement. Oregon law permits school districts to allow students whose needs for cognitive, social and physical development would best be met in the school program to be admitted to kindergarten/first grade prior to reaching age five/six by September 1. The district is committed to enhancing the educational opportunity of the developmentally advanced child through early school experience.

The superintendent will develop administrative regulations as needed to implement this policy.
