

Phoenix-Talent School District 4

Code: **ABAA (Also BCF)**
Adopted: 8/20/92

Advisory Committees to the Board

In an ongoing effort to increase communications with the public and to provide for citizen involvement, the Board may appoint advisory committees to advise them on matters of interest or concern in which the Board believes an exchange of ideas will be of benefit to the school district. Such committees will not be appointed on a permanent basis but rather to assist in a particular area of activity.

The composition of advisory committees shall be broadly representative and shall take into consideration the specific tasks assigned to the committee. Appointment of community members to an advisory committee shall be made by the Board; appointment of staff members shall be made by the Board upon recommendation of the Superintendent.

The Board shall adopt guidelines for each committee as appropriate that shall include, but not be limited to, the following:

- Service the Board wishes the committee to render and the extent and limitations of its responsibilities;
- Length of time the committee is being asked to serve;
- Resources the Board will provide;
- Approximate dates on which the Board wishes to receive committee reports.

All recommendations of an advisory committee must be submitted to the Board for action and must be recognized as advisory in nature.
