## Board Member Authority

The School Board of Jackson County School District #4 is the governing body of the schools in the District. The School Board, under powers granted by State Statutes, is authorized to transact all business coming within the jurisdiction of the District. Pursuant to law, the School Board has control of the District schools and property.

Because all powers of the Board lie in its action as a group, individual Board Members exercise authority over District affairs only as votes are taken at a legal meeting of the Board.

An individual Board Member has power only when the Board, by vote, has delegated authority to him or her.
