## School Board Work Sessions

The Board, as a decision-making body, is confronted with a continuing flow of problems, issues, and needs which require action. While the Board is determined to expedite its business, it is also mindful of the importance of planning and thoughtful discussion without action; therefore, the Board may schedule work sessions in order to provide its members such opportunities. Topics for discussion and study will be announced publicly, and work sessions will be conducted in accordance with the State Law on public meetings.
