

### **Administrative Regulation and Policy Review and Evaluation**

1. The superintendent, with the approval of the Board chair, will include on July-August Board agendas a formal review of all existing policies. This review will be for the purpose of updating policies as well as for evaluating their implementation.
2. The superintendent will call to the Board's attention all out-of-date and inconsistent policies. The superintendent shall further propose any new or revised policies as needed.
3. It will be the superintendent's responsibility to see that all policy books are properly maintained so as to reflect only the most current of Board policies. All out-of-date policies will be destroyed.
