

Emergency Plans

The Superintendent shall develop and maintain emergency plans and procedures designed to insure the safety of students and staff in case of actual emergency.

Such plans shall anticipate a variety of conditions including, but not limited to, fire, bomb threat, emergency and natural disaster.

The Superintendent or his/her designee shall work with other community agencies to insure that District emergency plans interface with other agency emergency procedures.

Building principals should inform parents of the District plan for the care of students during an emergency situation.
