

Phoenix-Talent School District 4

Code: **GBHB**
Adopted: 12/9/93

School/Parent/Relations

The Phoenix-Talent School Board believes that parents have primary responsibility for their children's education and that public schools are an instrument our society has provided which parents may use toward the discharge of that responsibility. Hence, it is appropriate that our schools and their staff members:

1. Promote the involvement of parents in directing and supporting their children's education;
2. Respect and accommodate parents' opinions and wishes regarding their children's education, as far as that may, in the District's judgment, be done within the law, within funding limitations, and without detracting from the education of other children or jeopardizing other children's well-being.
