

## Instructional Goals

In establishing an effective educational program as part of the students' total education, the District recognizes the importance of developing a partnership that promotes the involvement of staff, parents and the community through such means as 21<sup>st</sup> Century Schools Councils, local school committees and advisory committees.

The District is committed to a continual process of collaborative decision-making and goal setting that is framed around the following characteristics:

1. Provides equal and open access and educational opportunities for all students regardless of their linguistic background, culture, race, sex, capability or geographic location;
2. Assumes that all students can learn and establishes high, specific skill and knowledge expectations and recognizes individual differences at all instructional levels;
3. Provides special education, compensatory education and English Language Learner education as required by law;
4. Provides students with a solid foundation in the skills of reading, writing, problem solving and communication;
5. Provides opportunities for students to learn, think, reason, retrieve information, use technology and work effectively alone and in groups;
6. Provides for rigorous academic content standards and instruction in mathematics, science, history, geography, economics, civics and English;
7. Provides students with an educational background to the end that they function successfully in a constitutional republic, a participatory democracy and a multicultural nation and world;
8. Provides students with instruction in, but not limited to, health, physical education, second languages and the arts;
9. Provides students with the knowledge and skills that will provide the opportunities to succeed in the world of work, as members of families and as citizens;
10. Provides students with the knowledge, skills and positive attitude that lead to an active, healthy lifestyle;

11. Provides students with the knowledge and skills to take responsibility for their decisions and choices;
12. Provides opportunities for students to learn through a variety of teaching strategies;
13. Emphasizes involvement of parents and community in the total education of students;
14. Transports students safely to and from school;
15. Provides for a safe, educational environment.
