Health	2007	7/1/08 – 6/30/14	Sept. 2008
Etc.			

*School districts have the option under OAR 581-022-1650 to postpone instructional materials purchases for one year. This allows districts to balance costs throughout the cycle by postponing a portion of their “big year” purchases to the following year when they will be making a smaller purchase.

Adopted by the State Board of Education, 6/18/96.
