

Student Organizations

The District encourages curriculum-related student organizations. District staff will facilitate such organizations and District resources may be used to support them. The District may also support student organizations that are not directly curriculum-related.

The building principal will develop general guidelines for student organizations. Among other provisions, such guidelines will require the assignment of at least one (1) faculty advisor to each student organization.

Voluntary student-organized clubs that are not curriculum-related may meet on school premises during non-instructional time. If the content of such a club's meetings is religious in nature, school staff may attend only in a non-participatory manner. Staff may be assigned to attend such meetings for custodial purposes only, but will not be compelled to attend a meeting if the content of the speech at the meeting is contrary to that person's beliefs.
