

Early Graduation

A student who for sound educational and vocational reasons wishes to graduate from high school in less time than the ordinary grade 9-12 sequence may request permission to complete graduation requirements on an altered schedule.

Plans for early graduation must be approved by the building principal and the student's parents or legal guardian. A student who graduates early must complete all the requirements of the District and the State Department of Education in order to graduate.

Students who complete the above requirements may participate in the school's graduation ceremonies.
