Animals in District Facilities

Permission is to be obtained from the principal in accordance with the guidelines established by the District Safety Committee before animals are brought into the school. Animals must be adequately cared for and appropriately secured. Only the teacher or students designated by the teacher are to handle the animals.

Animals are not to be kept in the classroom on days when classes are not in session. Animals may not be transported on a school bus.

Animals serving the disabled could be an exception to this policy. The Superintendent shall develop administrative rules providing guidelines for allowing legally designated service animals in school facilities.
