

Supervision of Students

All students shall be under assigned adult supervision at all times when they are in school, on school grounds, traveling under school auspices, or engaging in school-sponsored activities. School personnel assigned this supervision are to act as reasonably prudent adults in providing for the safety of the students in their charge.

In keeping with this expected prudence, no teacher or other staff member will leave his/her assigned group unsupervised except if an arrangement has been made to take care of an emergency.

Building principals are responsible for assuring adequate student supervision at all times.
