

# Phoenix-Talent School District 4

Code: **KD**  
Adopted: 12/1/83

## Public Participation at Board Meetings

All meetings of the Board, with the exception of Executive Sessions, shall be open to the public. The Board invites citizens of the District to attend Board meetings so that they may become acquainted with the program and operation of the schools. Members of the public also are encouraged to share their ideas and opinions with the Board when appropriate.

The Board shall schedule a period during each regular Board meeting to hear citizens' concerns. In order to assure that persons who wish to address the Board may be heard and at the same time allow the Board to conduct its meetings properly and efficiently, the chairman may establish procedures to regulate discussion as appropriate.

Questions asked by the public shall be answered in an expeditious manner.

Persons who wish to have an item of interest placed on the formal agenda for Board consideration should contact the Superintendent at least seven days before the regularly scheduled meeting date. Inclusion of such items on the agenda shall be at the discretion of the Board Chairman in consultation with the Superintendent. Items on the agenda requested by the public will normally be heard by the Board and referred to the Superintendent for recommendation for action at a subsequent meeting.

Complaints against school personnel should be directed to the Superintendent and are not appropriate items of discussion at public Board meetings.
