

Compliance with Standards

The Board recognizes the need to comply with the educational standards as outlined by the State Board of Education.

It is also recognized that a district may petition the State Superintendent of Public Instruction for a waiver of a specific standard. A petition shall specify the reason(s) the district is seeking the waiver and other relevant information. If it is determined the request conforms with the intent of the standards, the state superintendent shall recommend the waiver to the State Board. Requirements in Oregon Revised Statutes may not be waived.

The District will maintain a record of any waivers that have been requested by the District and approved by the State Board of Education.

Procedures shall be developed whereby residents of the District or any parent of children attending school in the District may make an appeal or complaint alleging violation of standard. The District shall also include a procedure for direct appeal to the State Superintendent of Public Instruction of an alleged standards violation.
