Revised/Readopted: 1/18/17

## Disposal of District Property

The Board may, at any time, declare district property as surplus and authorize its disposal when such property is no longer useful to the district, unsuitable for use, too costly to repair or obsolete.

This will be done by completing a Disposal Form and receiving authorization from the supervisor. The authorization will then be approved by the Board prior to disposal.

If reasonable attempts to dispose of surplus property fails to produce a monetary return to the district, the Board may dispose of them in another manner.

If the district property was purchased with state, federal or private grant funds, disposal of the property shall be made as outlined in the grants or by state or federal regulations.
