## Personnel Records

An official personnel file will be established for each person employed by the district. Such files will be maintained in a central location.

All records containing employee medical condition information such as workers' compensation reports and release/permission to return to work forms will be kept confidential, in a separate file from personnel records. Such records will be released only in accordance with the requirements of the Americans with Disabilities Act or other applicable law.

The superintendent will be responsible for establishing procedures regarding the control, use, safety and maintenance of all personnel records. Employees will be given a copy of evaluations, complaints and written disciplinary actions to be placed in their personnel files and may submit a written response which will be attached to the file copy. All charges resulting in disciplinary action shall be considered a permanent part of the teacher's personnel file and shall not be removed for any reason.

Except as provided below and as otherwise may be required by law, personnel records of district employees will be available for use and inspection only by the following:

1. The individual employee. An employee or designee may arrange with the district office to inspect the contents of his/her personnel file on any day the district office is open for business;
2. Others designated in writing by the employee;
3. The comptroller or auditor when such inspection is pertinent to carrying out their respective duties or as otherwise specifically authorized by the Board. Information so obtained will be kept confidential. No files will be removed from their central location for personal inspection;
4. A Board member when specifically authorized by the Board. Information will be kept confidential. No files will be removed from their central location for personal inspection;
5. The superintendent;
6. District administrators and supervisors who currently or prospectively supervise the employee;
7. Attorneys for the district or the district's designated representative on matters of district business;
