Suspension**

The Board authorizes the superintendent to suspend a student for one or more of the following reasons:

1. Violation of school regulations;
2. Conduct which materially and substantially disrupts the rights of others to an education;
3. Conduct which endangers the student, other students or staff members;
4. Conduct which damages or injures school property.

Students and parents are given notice of possible discipline actions resulting from student misconduct that may result in suspension in the *Student/Parent Handbook* made available by the district.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and a plan for readmission and may include a plan for the student to make up school work. No suspension shall extend beyond 10 school days. Reasonable and prompt effort will be made to notify the parents of suspended students. The district may require a student to attend school during nonschool hours as an alternative to suspension.

In emergency situations that are a result of risk to health and safety, the district may postpone the suspension notice process above until the emergency condition has passed.

Students who are suspended may not attend after-school activities and athletic events, be present on district property unless accompanied by a parent or guardian; nor may they participate in activities directed or sponsored by the district. Students who violate these provisions may be referred to law enforcement officials.

Suspensions may be appealed to the Board.
