Student Automobile Use

All students who drive cars to school are subject to parking and driving rules developed by the principal.

Students are permitted to drive to school. Once cars arrive at school they are not allowed to leave until school is out. Vehicles parked on district property are under the jurisdiction of the district. Parking on district property is a privilege and not a right. Students will be notified that as a condition of parking on district property, district officials may conduct searches of vehicles upon reasonable suspicion of a policy, rule and/or procedure violation.

Exceptions for cars leaving:

1. Noon Pass: Parents may obtain a pass through the office that allows a student to drive home for lunch alone;
2. Pre-arranged Absence: It is sometimes necessary for students to leave for appointments. Must be approved by the office;
3. Elementary Aide: Students who assist elementary teachers may drive to the elementary school.

STUDENTS MAY NOT TAKE OTHER STUDENTS FROM SCHOOL GROUNDS IN THEIR AUTOMOBILES.
