Board Member Resignation

The Board believes that any citizen who files and seeks election or appointment to the Board should do so with full knowledge of and appreciation for the investment in time, effort and dedication expected of all Board members, and that the citizen's intent to serve includes the intention to serve out his/her term of office.

When a member decides to terminate service, the Board requests earliest possible notification of intent to resign so the Board may plan for the continuity of Board business. If at any time a Board member wishes to terminate his/her service, a written statement of resignation must be submitted to the Board and must be duly accepted by the Board.

The Board will announce the resignation and declare the vacancy at its next regular meeting.

The Board will determine the procedures to be used in filling the vacancy. The Board may begin a replacement process and select a successor prior to the effective date of resignation; however, the actual appointment shall not be made before the resignation date.
