### **Executive Sessions**

The Board may meet in executive session to discuss subjects allowed by statute but may not take final action except for the expulsion of students and matters pertaining to or examination of the confidential medical records of a student, including that student's educational program.

Executive sessions may be held during a regular, special or emergency meeting for any reason permitted by law.

The presiding officer will announce the executive session by identifying the authorization under ORS 192.660 for holding such session, and by noting that the subject of the executive session will be undisclosed under ORS 192.660 (3). Members of the press may attend executive sessions except those matters pertaining to: deliberations with persons designated by the Board to carry on labor negotiations; hearings on the expulsion of minor students; or examination of the confidential medical records of a student including that student's educational program; and current litigation or litigation likely to be filed if the member of the news media is a party to the litigation or is an employee, agent or contractor of a news media organization that is a party to the litigation. Attendance of the press is contingent upon acceptance of rules governing disclosure of information announced by the presiding officer at the beginning of the executive session.

An executive session may be convened by the chairman, upon request of three Board members or by common consent of the Board for a purpose authorized under ORS 192.660.

If an executive session is held pursuant to ORS 332.061 (expulsion of a minor student from public school) the following shall not be made public: the name of the minor student; the issue, including the student's confidential medical records and educational program; the discussion; and each school Board member's vote on the issue.

All executive session minutes shall be kept in written form.

Content discussed in executive sessions is confidential.
