**Line and Staff Relations**

The Board instructs the superintendent to establish clear understandings on the part of all personnel of the working relationships in the school system.

Lines of direct authority shall be those approved by the Board and shown on the district organization chart.

Lines of authority do not restrict in any way the cooperative sensible working together of all staff members at all levels in order to develop the best possible school programs and services. The established lines of authority represent direction of authority and responsibility; when the staff are working together, the lines represent avenues for a two-way flow of ideas to improve the program and operations of the school system.
