Work Experience

High school students may be released from school for portions of the school day for work experiences not under the direct supervision of the school staff. Such released time shall be governed by the following guidelines:

1. A student may be released only upon the approval of the superintendent or designee. The superintendent or designee shall base his/her decision upon the student's past academic record and such other criteria as may be deemed by the superintendent or designee;
2. Business, farms, corporations and individuals desiring to employ students under a "released time arrangement" must present a written request to the superintendent or designee, indicating the proposed time and pay arrangement, including the commitment to notify the superintendent or designee when the student's employment has been terminated;
3. Students participating in work experience, not under the direct supervision of the school staff, shall not receive school credit for such work experience.
