Graduation Exercises

Because the Board believes that completion of the requirements for a diploma from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by Port Orford-Langlois School District on the date selected by the Board.

The district's valedictorian(s), salutatorian(s) or others at the discretion of the superintendent or designee may be permitted to speak as part of the district's planned graduation program. All speeches will be reviewed and approved in advance by the superintendent or designee.

All students who have successfully completed the requirements for a senior high school diploma, a modified diploma, or for a certificate of attendance or achievement and are in good standing may participate in graduation exercises.
