Suspension**

The Board authorizes the superintendent or designee and the transportation supervisor to suspend a student for one or more of the following reasons:

1. Willful violation of Board policies, administrative regulations or school rules;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student or other students;
4. Willful conduct which endangers district property.

Each suspension will include a statement of the reasons for suspension, the length of the suspension and a readmission plan. No suspension shall extend beyond 10 school days. The district may require a student to attend school during nonschool hours as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of suspended students.

Students who are suspended may not attend after-school activities and athletic events, be present on district property without a parent or participate in activities directed or sponsored by the district. Students who violate these provisions may be referred to law enforcement officials.
