

**Port Orford-Langlois
School District 2CJ**

Code: **KMC**
Adopted: 12/13/10

Community Fundraising Activities

The Board encourages students and staff to volunteer for community fundraisers which raise funds that benefit the district and district students. The Board recognizes that declining district resources may not permit the funding of certain programs or school activities. The Board also understands the important role that these programs and activities can have on the individual development of its students, the total school climate and the community at large.

Therefore, the Board may grant permission to school-related or community individuals, groups or organizations and others to provide financial support and/or conduct fundraising for the district. Maintaining equal educational opportunities for all district students will guide the district in all decisions to support and maintain programs and activities.
