

Student Transportation Services

School transportation services may be provided within the limitations of available resources for transporting students to and from school and for transporting students to and from curricular and extracurricular activities sponsored by the schools. The district will comply with all state and federal laws and regulations pertaining to school bus transportation.

Department organization must facilitate efficiency of operation and provide for effective lines of communication between and personnel and parents.

Department operating procedures will be developed by the director of transportation. Procedures must reflect all state department of education pupil transportation rules and regulations as well as provide a framework for the day to day activities of the department.
